7 RICHARD WILLIAM HOFFMANN, SR. ) **FOR CONTEMPT OF COURT -**  
8 Respondent ) **PERJURY AGAINST PETITIONER**  
9 ) **DIANE ELLEN BROWN**  
10 )

11  
12 COMES NOW, Respondent, Richard William Hoffmann, Sr. of 4846 Timberline  
13 Drive, West Des Moines, Iowa, 50265 and hereby applies to the Court to submit said Notice of  
14 Appeal to said Restraining Order with request to fully STAY to immediately delete from the  
15 CLETS System and any and all local, state, or national references thereof which can in any way  
16 further slander Respondent and prevent and obstruct his ability to secure gainful employment to  
17 financially support and provide for his two younger children Morgan Elizabeth Johnson-  
18 Hoffmann age nine (9) and Noah Christian Johnson-Hoffmann age eight (8) until the end of said  
19 appeal process.  
20  
21

22 Respondent further requests a full STAY given the admissible evidence contained  
23 presently within the Court file to prosecute Petitioner, Diane Ellen Brown, who thus upon said  
24 allegations of perjury therefore has unclean hands upon her deliberate submission of false sworn  
25 verbal and written testimony signed and submitted under penalty of perjury, to purposely mislead  
26 and manipulate this Court to slander and cause great emotional and financial harm to  
27

1 Respondent's, Richard William Hoffmann, Sr.'s, well established reputation and credibility to  
2 instead be considered as a severe terrorist threat to society.

3 Respondent has never had any conviction on any crime involving any violence or  
4 the threat of violence or harassment that he has been rightfully convicted of at any time in his life  
5 as Petitioner has purposely committed many counts of perjury to this court including but not  
6 limited to:  
7

- 8 1. Respondent has lost custody of his two younger children in a child custody  
9 battle in Oregon.
- 10 2. That as a result of the alleged loss of custody of his children referred above in  
11 alleged Oregon custody battle, that respondent is now driving in a referred  
12 unstable psychotic mental state as a severe safety risk/terrorist threat to  
13 himself and/or others from Iowa to Oregon to California and back and forth  
14 again.  
15
- 16 3. That respondent has caused great mental anguish to others implying  
17 Respondent has been convicted of both severe physical and severe mental  
18 abuse his two older children but especially his older daughter Jaclynn Cara  
19 Hoffmann.  
20
- 21 4. That Respondent is mentally unstable and poses a severe threat upon his  
22 alleged verbal threat to commit severe violence and/or severe bodily injury  
23 and/or harm to Petitioner, all Petitioner's family members and/or significant  
24 others including but not limited to conspiracy with Petitioner's daughter  
25 Kendra Louise Burlison who's restraining order petition [Case #14CH40268]  
26  
27

1 has mirrored said Petitioner's to the letter in which when two or more state an  
2 allegation it will be assumed as fact.

- 3 5. That Respondent, allegedly without any notification or warning whatsoever,  
4 "...just showed up at my house!" though three (3) phone calls of seven (7)  
5 documented and verified attempts were completed upon the admissible  
6 evidence created by the indisputable phone records of Sprint PCS.  
7

8 These and other evidences that Respondent's deliberate obstruction of his Due  
9 Process Rights were exercised including Petitioner's free will to make the conscious choice to  
10 never once answer nor make literally any attempt to instruct Respondent to cease his calls to  
11 reach out to his (thought loving) sister for empathy and emotional support upon his children  
12 being felony abducted months before when he was attending a critical, unavoidable business trip  
13 to further the process for his patented fire protection equipment designed to save lives and  
14 property to be mandated nation-wide by the National Fire Protection Association (NFPA) upon  
15 certification of Underwriter's Laboratory in which all key personnel were attending the NFPA  
16 Convention in Las Vegas followed by his requirement to attend mandatory training in Kansas  
17 City to continue his employment as a school bus driving instructor.  
18  
19

20 Respondent hereby requires the Court to commence the appeal process and  
21 prosecute Petitioner, Diane Ellen Brown, without further delay.
