Diane Ellen Brown who can give a FLYING F*CK about the **FELONY ABDUCTION of Morgan and Noah** who I finally contacted yet my sister's response was to NOT grant me my LEGAL DUE PROCESS to be told, "No! STOP CALLING ME!!!"

...instead REFUSED to answer any calls for eleven (11) days as I begged her love and support for her niece and nephew...

SHE CALLED THE SHERIFF FOR ALLEGED HARASSMENT...

...in which Deputy Grognet REFUSED TO LEAVE A VOICEMAIL INDICATING LITERALLY AN ISSUE WHATSOEVER...

...only to FILE NOT ONE (1) BUT GOT HER DAUGHTER KENDRA LOUISE BURLISON TO FILE A SECOND (2) SEPARATE FELONY PERJURY RESTRAINING ORDER UPON I MADE MORE THAN ONE (1) PHONE CALL TO MY SISTER THUS HARASSMENT!!!

THE ONLY TRUE VICTIMS – MORGAN AND NOAH!!!

Seven (7) calls to Diane PRIOR to arrival at approx. 1500 hrs on July 26, 2014

Please see CH-100, Page 3 of 6, Item 7a(5) Line #2: **"He just showed up at my house."**

Note: All calls originated from (515) 988-0464; Diane didn't even call back to inform me she left the Valley Springs earlier that day. Kevin Haddock and I waited over an hour at a local pub for her return call that she never even attempted to make. She then requested I arrive at her place before she had to leave with Jesse Hampton for another engagement by 3:30 PM. I called at 2:53 PM when we were in Angels Camp headed to her place to arrive at approximately 3:00 PM as we did.

The above calls included me leaving voicemail AND speaking to her directly... especially the calls that lasted two (2:00) minutes as identified above. Please see the Sprint phone bill printout to verify by line number each VERIFIABLE entry above as **ADMISSIBLE EVIDENCE of FELONY PERJURY.**

I have a pending request for the verification of the texts EXCHANGED with her in addition to the phone calls listed above. I have faxed a notarized request form from Sprint for this phone number which has an eight (8) to ten day turn around processing time. Said request was facsimile submitted Oct 13, 2014. I ask the court to allow me to submit same in time for the Contempt of Court hearing requested Oct. 24, 2014 in which I am requesting a telephonic appearance given the distance from my home address.

Case Number: _____

(3) How did the person in (2) harass you? (Explain below):

Check here if there is not enough space for your answer. Put your complete answer on the attached sheet of paper or Form MC-025 and write "Attachment 7a(3)—Describe Harassment" for a title.

It started with a long, rambling, insulting text message from my brother, Richard. He threatened me and called me horrible names. I didn't respond and he was quiet for a few days. When I didn't call back, Richard began filling up my landline answering machine with his long, obsessive rants. When I let the machine fill up, Richard called constantly just letting the telephone ring until the late hours of the night. On one message he told me "my daughter and I were dead." Attach

(4) Did the person in (2) use or threaten to use a gun or any other weapon?

Yes No (If yes, explain below):

Check here if there is not enough space for your answer. Put your complete answer on the attached sheet of paper or Form MC 025 and write "Attachment 7a(4)—Use of Weapons" for a title.

(5) Were you harmed or injured because of the harassment?

Yes No (If yes, explain below):

Check here if there is not enough space for your answer. Put your complete answer on the attached sheet of paper or Form MC-025 and write "Attachment 7a(5)—Harm or Injury" for a title.

I have been emotionally harmed. Richard has gone back and forth from Iowa to Oregon to California recently. He just showed up at my house. His calls have been really horrible and out of control - crazy like. I'm afraid what he may do to me and my family if he does come back.

(6) Did the police come? Yes No

If yes, did they give you or the person in (2) an Emergency Protective Order? Yes No

If yes, the order protects (check all that apply):

a. Me b. The person in (2) c. The persons in (3)

Attach a copy of the order if you have one.

b. Has the person in (2) harassed you at other times?

Yes No (If yes, describe prior incidents and provide dates of harassment below):

Check here if there is not enough space for your answer. Put your complete answer on the attached sheet of paper or Form MC-025 and write "Attachment 7b—Previous Harassment" for a title.

My mother passed away a year ago and Richard began harassing me again. He had not bothered me very often since 2006, when he got mad at our mother and anyone who was helping her. At that time his calls were so bad, that myself, my brother, 3 uncles and a cousin had to call the police. An officer went to Richard's house and told him to cease and desist. He did.

This is not a Court Order.

11) **LOUISE BURLISON**

12 COMES NOW, Respondent, Richard William Hoffmann, Sr. of 5941 Vista Drive,
13 Apartment #436, West Des Moines, Iowa, 50266 and hereby applies to the Court to submit said
14 Response to Restraining Order with request to fully exonerate, and given admissible evidence
15 contained herein, to prosecute Petitioner, Diane Ellen Brown, and Kendra Louise Burlison, [Case
16 #14CH40268] for Perjury for submitting false sworn written testimony signed and submitted
17 under penalty of perjury, to purposely mislead and manipulate this Court to slander and cause
18 great harm to Respondent, Richard William Hoffmann, Sr. with said false sworn written
19 testimony referred and identified herein.

20
21 Let it be known, Respondent does not agree with orders requested but will
22 certainly comply as ordered. Respondent does not agree with current Stay Away Orders but
23 again, will most certainly comply as ordered. That Respondent has turned in his only weapon to
24 the Polk County Sheriff's Department, Ankeny, Iowa, within the time frame requested as
25
26
27

1 verified with attached receipt CH-800 and completed and signed Property Report – Case #14-
2 5401.

3 That Respondent does accept responsibility for the irrefutable voice recorded
4 messages evidenced to this court but with “**Justification or Excuse**” as listed in Item #9 below.

8 Rule and Order to Show Cause on August 28, 2014 at 10:30 AM [No I will not be in California
9 this date for this hearing as my children are the far higher priority!] ...has caused me to be
10 extremely on edge and perhaps a bit “irrational” as a result of the incredible EXTREME
11 SITUATIONAL STRESS that the Petitioner, Diane Ellen Brown, wants the court to BELIEVE,
12 with false written sworn testimony signed under penalty of perjury under the laws of the State of
13 California as identified and evidenced herein, that such behavior shall be considered as “normal”
14 behavior to further destroy Respondent’s credibility more than she already has for decades
15 leading up to this hearing of August 28, 2014 at 1:30 PM. Please consider the following:

9 Although the Restraining Order #14CH40268 attempt of Kendra Louise Burlison
10 failed due to inadequate severely exaggerated false sworn testimony to produce the “desired”
11 probable cause to justify same, let it be known she too is severely incompetent to represent
12 herself as well. Again Respondent only received CH-100, two (2) duplicate copies of Page 1 of

14 “ADDITIONAL PAGE” titled “Burlison vs. Hoffman with HoffmanN misspelled. This clearly
15 exemplifies the need for reeducation and perhaps a course in counting by two’s with even
16 numbers only, a course in the “art of proof reading,” and yet perhaps another regarding the need
17 to follow through to “completion” as quantity, no matter how big or tall the stack of papers
18 appear (looks), it does not always indicate the “accuracy” of all included therein as clearly
19 assumed here.

20
21
22 **2)** With what Respondent is able to review in the INCOMPLETE service of said Restraining
23 Order, I wish to include and ENTER the following rebuttals:

24
25 **a)** For the record, Petitioner, Diane Ellen Brown, never once answered her phone from me
26 after she and I texted and spoke to meet after I searched for our father’s memorial at
27

1 Valley Springs Elementary School on July 26, 2014. FOR IT WAS UPON HER
2 INVITATION TO COME TO HER HOME BEFORE AND THEREFORE HAVE TIME
3 TO SPEAK IN PERSON TO HER AND JESSE HAMPTON, INORDER FOR THEM
4 TO LEAVE BY 3:30 PM TO FULFILL YET ANOTHER ENGAGEMENT THAT
5 AFTERNOON ALLEGEDLY TO COMMENCE AT 4:00 PM THAT DAY.
6

7 b) That the Petitioner has entered into your court as FALSE sworn written testimony under
8 penalty of perjury, “He [Respondent] just showed up at my house.” I ask the court to
9 consider the sworn affidavit of the testimony of Kevin Arthur Haddock, [Exhibit “A” -
10 **Declaration of Truth by Kevin Arthur Edgar; Haddock]** who accompanied me that
11 day on the trip from Stockton to see the Petitioner and her significant other Jesse
12 Hampton, at her home after failed arrangements to meet in Valley Springs caused the
13 four (4) of us to meet in her home as described and witnessed by Jesse Hampton who
14 became very engaged in the conversation regarding the FACT my children were
15 FELONY abducted, FELONY imprisoned overnight, FELONY transported over state
16 lines, flew together with no escort from Des Moines, Iowa to Denver, Colorado alone,
17 scared out of their minds wondering why they haven’t heard from [Daddy] the
18 Respondent AT ALL, was met by the biological mother DeeAnn Rae Johnson in Denver
19 Colorado, then flown OVER STATE LINES from Denver, Colorado to Portland, Oregon
20 thus violating the current custody agreement in the most severe manner imaginable.
21 Respondent actually met his children at the Portland International Airport that evening of
22 June 10, 2014 at approximately 7:05 PM before allowing the biological mother to
23
24
25
26
27
28

1 continue her charade that will soon land her in prison. Respondent had no Writ of
2 Assistance in place for law enforcement to recover/rescue Respondent's children for him.

3 c) So given my verbal explanation to the Petitioner, Diane Ellen Brown, witnessed by Jesse
4 Hampton, who was very engaged in the conversation, the evidence found in [Exhibit "B"]
5 **- RULE TO SHOW CAUSE AND ORDER SETTING CONTEMPT HEARING set**
6 **for August 18, 2014 IN THE IOWA DISTRICT COURT FOR POLK COUNTY]**
7 that the biological mother is facing incredible civil and criminal charges, the Respondent
8 asks the Court, "Why would the Petitioner, Diane Ellen Brown write as sworn written
9 testimony under penalty of perjury that, "Richard recently lost custody and visitation
10 of his two younger children in Oregon."? "
11

12
13 d) **Kendra Louise Burlison is also GUILTY of PERJURY** as she stated in her Request for
14 Civil Harassment Restraining Orders #14CH40268 within the ADDITIONAL PAGE
15 where she states on line 21, "My Uncle has been getting worse and out of control
16 SINCE LOSING CUSTODY of his children in a custody battle in Oregon."
17

12 ANOTHER INCREDIBLE EXAMPLE OF THE MANNER IN WHICH ALLEGATIONS
13 HAVE BEEN STATED AS FACT TO COUNTLESS OTHERS IN RESPONDENT'S LIFE AS
14 THEY HAVE FOR DECADES REGARDING RESPONDENT'S CHARACTER WITH ONLY
15 ONE GOAL AND ONE GOAL INTENDED – RESPONDENT SHALL BE DISGRACED!

16
17
18 e) Petitioner also states, “**He threatened me....**” As well as her daughter, Kendra Louise
19 Burlison who states, “**He knows where I live and think he is capable of coming**
20 **around and hurting us LIKE HE THREATENS TO DO. [EMPHASIS ADDED!!!]**
21 **Again this is flagrant PERJURY to mislead the court with false allegations!** Let it be
22 known Respondent has said NOTHING ever to be contrived as a THREAT to either party
23 in the least. Respondent has only spoke from his heart how hurt he was from the way
24 both have treated him, especially the Petitioner over the many decades of our existence as
25 she is the dominant, controlling person who she demonstrates herself to be.

1 RESPONDENT ASSERTS HE HAS NEVER THREATENED EITHER IN ANY WAY
2 SHAPE OR FORM! THIS IS CLEARLY NOT HIS NATURE! Please refer to [Exhibit

3 **“C” - Voicemail from Robert S. Hoffmann, Thursday, August 24, 2006 6:16 AM]**

4 Threat to Respondent’s life from Robert S. Hoffmann as follows:

6
7
8 **“Wake UP!** [Like yelling into a Verizon Wireless voicemail cellular phone system

10 the recipient when the phone is either “Off” or simply not answered! LOL!] **Answer the**
11 **FUCKING phone! You go to my school site, I’M GONNA GETCHA!”**

12
13 I would think you would concur that this is a perfect text book example by
14 definition of THREAT! Actually against my person! ...from Petitioner’s and Respondent’s
15 brother! A FORMER school teacher who was asked to leave his very position or be terminated
16 that we will be getting too shortly. I may have referred to Petitioner and her daughter Kendra as
17 “Dead” IN RESPONDENT’S HEART but only in the context of the relationship and where it
18 MUST stand now. Respondent is still optimistic all can find at least some reconciliation to
19 perhaps a little higher level, but it is what it is. Respondent must “keep them dead” in his heart
20 so they cannot damage him AGAIN and as they are again attempting to accomplish here.
21 Respondent feels insulated so he can’t be hurt like he was SEVERELY when he was BLIND-
22 SIDED by his entire family in the Fall of 2006 when all concerned parties revealed their true
23 colors which will also be discussed later in this response.
24
25
26
27

1 f) Respondent admits he did call filling up Petitioner's voice mail at first calling for an
2 empathetic ear, but after zero response and therefor zero support to his horrendous
3 situation at all, he admits he switched gears referring to the "TERROR" subjected upon
4 him back in 2006 when he offered to teach **Fire- and Life-Safety** for his brother's fifth
5 grade class students in the Lodi School District, Live Oak Elementary, where upon his
6 written offer, AT THE PRIOR VERBAL APPROVAL AND DIRECTION OF
7 RESPONDENT'S BROTHER TO RESPONDENT TO CONTACT HIS PRINCIPAL IN
8 WRITING, Principal Mrs. Marianne Varni [**Exhibit "D" - "Fire- and Life-Safety**
9 **Education" dated August 21, 2006 7:20 AM**]

10 g) For the record, on the evening of August 22, 2006, Respondent's mother, Jane E. O.
11 Hoffmann contacted Respondent via phone, and that in a twenty minute conversation that
12 included the following dialog:

13 i) She asked, **"What is this malarkey about you disturbing your brother's class!?"**

14 ii) **"Who do you think you are that you think you have anything to contribute**
15 **anything to a bunch of ten year olds, let alone your own two children Rick and**
16 **Jackie?! ...and the two you are about to have very soon!?"** [Morgan at 11
17 months, and Noah who was on the way at that time.]

18 iii) **You know you were just a volunteer! You never made it in any career!**

19 iv) **We don't have time for this! We have to catch an airplane!** [Scheduled to leave
20 five (5) hours after I was to be complete with the Fire- and Life-Safety educational
21 material. Driving time from Lodi was no issue. Please note in **Exhibit "D"** I clearly
22 stated in my last paragraph, **"IF given the Green Light, my hope it comes with**

1 **adequate notice (13 days notice) to make any necessary adjustments in your**
2 **school teaching schedule.”**

3 v) As the Respondent was totally blown away by the incredibly insulting words of his
4 own mother, she then stated, **“Well, you know! Your brother had to tell the**
5 **Principal you’re NOT DANGEROUS!” Not DANGEROUS!?!** How in the world
6 did Respondent’s cover letter to Principal M. Varni describing his career to
7 emphasize he has a viable, important, true message to teach legitimate Fire- and Life-
8 Safety including how to save a fire fighter’s life (such as Kyle Wilson) cause her to
9 conclude and therefor ask my brother, **“Is he DANGEROUS!?!”**

10 vi) Real simple! By the SLANDER from his mother, brother, and sister that Respondent
11 has been subjected to since being a small child. BUT RESPONDENT ADMITS HE
12 HAS ALWAYS DENIED IT HOPING IT WASN’T TRUE! How naïve is that!?!
13 vii) The following date, Respondent sent another email requesting, upon hearing through

14 the “grape-vine” that his services may not be requested, that if Principal M. Varni
15 could be so kind to verify either way at all, to please reply in writing as a simple
16 courtesy. Please read the response [Exhibit “E” – **RE: Fire-and Life-Safety dated**
17 **Wed 23 Aug 2006 12:33:49 -0700]** that I received from School Teacher, Robert S.
18 Hoffmann, who clearly representing Live Oak Elementary of the Lodi Community
19 School District as it was clearly written on School Email Letterhead.
20 viii) Upon receiving said correspondence on School Letterhead, Respondent became

21 EXTREMELY DISPONDENT AND DEPRESSED that his own brother could ever
22 feel let alone write about or express these thoughts and feelings towards him this way,
23
24
25
26
27
28

1 but after a few hours of processing, it became really clear how all the subtle memories
2 of “confusing” responses from his nuclear family over the years began to make sense.
3 Let it be known, if Respondent had any idea his brother felt like this at all towards
4 him, Respondent would have never even approached him in the first place.
5

6 ix) Respondent then phoned his brother to tell him he had until midnight of Thursday,
7 August 24, 2006 to apologize for said letter and that he would then therefor leave him
8 alone forever and the letter would go no further than just between he and Respondent.
9 However, Respondent also emphasized if he didn’t take responsibility for said letter’s
10 content on school letterhead, that Respondent would forward said letter to his
11 Principal and all the School District Superintendents as complimentary copies and
12 allow them to decide the civil liability he had placed upon his employer and the
13 taxpayers of said school district for doing so given the FACT Principal M. Varni had
14 to ask Robert S. Hoffmann, “**Is he (Respondent) DANGEROUS!?!?”** His first
15 voicemail response was **Exhibit “B”** heard above. His second response was **Exhibit**
16 **“F” – Voicemail from Robert S. Hoffmann, Thursday, August 24, 2006 at 6:19**
17 **AM]** <https://www.youtube.com/watch?v=Q7dZvgfscnM&hd=1> ...in which Robert
18 S. Hoffmann emphasizes his POWER as a Public Official, who after the passing of
19 the Patriot Act following 911 in which he knows he, as such, can have anyone held
20 against their will for a minimum of 72 hours and very easily labeled at the stroke of a
21 pen as a TERRORIST THREAT and therefor BANNED from any school site until
22 proven innocent, he states:
23
24
25
26
27
28

1 **xii)** Respondent then sent a third letter at the top of [Exhibit “G” “Possible Pending
2 **Lawsuit”, Friday, August 25, 2006 11:59 AM]** to make very clear such behavior
3 by any school staff member, family or otherwise, will not be tolerated. Although
4 Respondent would never and did never pursue a lawsuit, this truly created incredible
5 strife between Respondent and EVERY other “selected and chosen” family member
6 that Robert S. Hoffmann could manipulate into believing it was Respondent’s fault
7 for making his life more difficult. Misrepresentations, misleading incomplete half-
8 truths, and out-right false testimony as demonstrated here by the Petitioner herself.

9 **xiii)** Please listen to this voice mail [Exhibit “H” – Voicemail of Jane Hoffmann]
10 <https://www.youtube.com/watch?v=pNfsKuJuhF8&hd=1> ...prior to September 6,
11 2006 in which Respondent’s mother REFUSES to honor her grandson at his Naval
12 Rescue Swimmer graduation ceremony in San Diego [Second (2nd) in his class of
13 only five (5) out of over 200 hundred who couldn’t make the cut and QUIT] if
14 Respondent doesn’t “**Shape Up!**” She later states, “**What you want is to get**
15 **attention to yourself! ATTENTION! ATTENTION! ATTENTION!!!**” ...and
16 followed by, “**I am going to call my brothers and say we are not coming! Ok!?!?”**
17 ...all because of the fact Respondent was going to teach 20 school children and their
18 families how to save a firefighter’s life and refresh on every detail about fire- and
19 life-safety as he has taught for decades, Respondent’s mother was NOT going to
20 honor her grandson in the least, in order to attempt to PUNISH Respondent for
21 Respondent’s alleged “bad behavior.” Regardless of the fact her grandson just
22
23
24
25
26
27
28

1 completed the most challenging 18 months of his life so far PLUS to graduate second
2 his class in the third toughest military training on the planet.

3 **xiv)** Respondent tried all he could [**Exhibit “I” - 40 hours “Conflict Management**
4 **Training” October 9, 1998 while assigned at the Avenal State Prison]** to find
5 resolution and peace from such an incredible alleged “misunderstanding,” created on
6 God knows what. However, literally ALL of Respondent’s best friends since his
7 early childhood reinforced to him that these relationships he had with his brother,
8 sister, and mother and now the extended family has been going for years as the
9 “status quo.” Hence the severity of the Petitioner to try to put Respondent in “his
10 place” again with now verified false written testimony submitted to this court to
11 further slander and therefore make every effort to destroy Respondent’s credibility
12 and further outcast him from the “selected” and approved family member designated
13 list.
14

15
16 **xv)** It became clear Respondent was then the center of a Homeland Security investigation
17 as a possible Terrorist Threat to school children. Respondent wrote a brief to the Lodi
18 School District outlining the facts regarding the case, and upon verification, as
19 evidenced with the attached certifications and employment records from the State of
20 California as a Fire Captain/Peace Officer, in the same manner if a person screams
21 “FIRE” in a theatre or auditorium, and yet there isn’t one, it’s a clear prison sentence,
22 the consequences are identical to scream “Terrorist Threat” when there isn’t one as
23 well. Robert S. Hoffmann was cordially asked to resign [or be processed as a
24
25
26
27
28

1 termination] and did NOT return to work after “Winter Break” the 2006-2007 School
2 Year.

3 **xvi)** To close this time frame, at Christmas 2006, Respondent called his mother to
4 attempt to reconcile over the holiday [**Again refer to Exhibit “I”**]. It was agreed and
5 arranged that Respondent would meet his mother on Christmas for dinner Christmas
6 night. But Respondent’s mother slipped. She accidently stated that all the other
7 “selected and approved” family members would be there at her home on Christmas
8 Eve, that night, at 8:00PM for a special party to include present exchanges.

9 Respondent told his mother he would therefore be at her home “before” Christmas
10 dinner Christmas night. Respondent packed up his two infant children in Sacramento
11 at the time, Noah at two and a half months old born on October 5, 2006 and Morgan,
12 15 months old [**Convicted and Registered Child Abuser Biological mother**
13 **DeeAnn Rae Johnson had already ABANDONED both children thus leaving**
14 **them with Respondent from late November 2006 through February 2007 so she**
15 **could do her own personal agenda in Ankeny, Iowa**], drove to hills of Murphys to
16 introduce his children to and hopefully reconcile with his family once and for all.

17 [Note See Exhibit “J” Video evidence Respondent cared for his two (2) infants
18 ALONE from November 2006 through the end of February 2007] at:

19 <https://www.youtube.com/watch?v=-RhxD2EwBI&hd=1>

20 **xvii)** Upon arrival at approximately 8:20 PM to the “**PRIVATE BY SPECIAL**
21 **INVITATION ONLY HOFFMANN/BROWN CHRISTMAS EVENT OF 2006,**”
22 one could of heard a pin drop when Respondent entered the door as he sang, “**Ho!**”
23
24
25
26
27

1 **Ho! Ho! Merry Christmas!**” Respondent placed sleeping Noah who was in a car
2 carrier in front of the soft lit warmth of the fireplace, and stated to Morgan, who was
3 sitting on his left arm as she gazed at all the new and exciting people she was looking
4 forward to meeting as Respondent said, **“Let’s go to the kitchen and get some cake
5 and punch and you’ll get to meet your family.”** Upon Respondent’s and Morgan’s
6 return from the kitchen to the living room, **literally every seat was EMPTY!**
7 Respondent asked his mother, **“Where’s everybody going?”** His mother replied,
8 **“Do ya BLAME 'em!?!”** The entire family of ten (10) ran out as fast as they could
9 leaving presents and coats and sweaters behind as though they meant nothing
10 compared to the escape from REALITY. One note to keep in mind. When two
11 people have an “issue” between one another, the one who wronged and therefor does
12 NOT want to face the REALITY thereof, as exemplified here, will ALWAYS run to
13 the other side of the street to AVOID THE ANTICIPATED “CONFLICT.” Too bad
14 they don’t know how taking responsibility, asking for forgiveness, and GIFTING full
15 acceptance thereof resolves nearly any issue every time. Hence this response here
16 and the COMMITMENT TO NOT RESOLVE ANY ISSUE EVER to maintain the
17 status quo so now this family feud of integrity vs. non-integrity has to be heard in this
18 courtroom here.

- 19
20
21
22
23 h) The whole point of the above issue in 2006 is quite simply the Respondent offered to give
24 a Fire-and Life-Safety presentation to teach all the basics in fire safety as Respondent has
25 for hundreds of people of all ages in his 20+ year career in the Fire Service both
26 professional and volunteer, with the emphasis on the importance of having (a) fire
27

1 victim(S) **KNOW the incredible IMPORTANCE TO ENSURE that somebody who**
2 **is clearly informed and aware of the status of the accuracy of the occupants in or out**
3 **of the affected structure is standing at the end of the driveway NO MATTER**
4 **WHAT! ALWAYS!!! NO EXCEPTION EVER!!!** This is critical that the first
5 responding/arriving Fire Officer (even during a full-on blizzard!) KNOWS for a fact that
6 if everyone is out, THAT IT SHALL BE KNOWN BY EVERYONE THAT IN FACT
7 EVERYONE IS OUT!!! The totally unnecessary death of Kyle Wilson [**Exhibit "K"**]:
8 https://www.youtube.com/watch?v=vUo_Z-zwZtU&hd=1] who perished unnecessarily
9 at the mere age of 23, is one excellent example of countless where, just as the Charleston
10 Nine passed away horrifically burning to death because it was **ASS U MEd** there were
11 still people trapped inside to be rescued, in this particular incident involving Kyle Wilson,
12 seven (7) people occupied their home that early morning of April 17, 2007. Upon arrival
13 with heavy smoke and fire showing from the upstairs bedroom area, it was only **ASS U**
14 **MEd** THAT NO VICTIMS HAD **YET** ESCAPED! The Fire Officer did his size up as
15 he walked around the structure and thus began to formulate a plan to direct incoming
16 units, the Driver/Operator established water, and Firefighter Kyle Wilson pulled the
17 tangled hose from his engine, left the uncharged nozzle at the front doorway, and entered
18 the burning structure with absolutely no water protection whatsoever, as we do every day
19 internationally when life rescue is the priority, went upstairs and began his search for his
20 first ASS U MEd victim to be rescued. Upon finding no victim(s) in the first room, in the
21 bed, under the bed, in the closet, literally anywhere, he finally went to the next room to
22 repeat the same actions. Still nothing there either! Went to the third room; in the bed,
23
24
25
26
27

1 under the bed, in the closet! Again NOTHING! ...and now at the seat of the fire, taking
2 all kinds of heat with ZERO visibility, he searches the fourth room, flames licking his
3 tail! ...and because he has been up there so long looking for somebody... ANYBODY!!!
4 The simple 2" X 4" Engineered Wooden Trusses BURN THROUGH IN MINUTES,
5 [Really smart their guys! Light-weight and aren't worth a sh*t when exposed to fire!]
6 ...and the roof tragically collapses onto Kyle Wilson trapping him in the burning debris!
7 And with no carbon monoxide "poisoning" to kill the pain of every searing nerve, KYLE
8 SUFFERS TREMENDOUSLY AS HE BURNS TO DEATH! There were seven people
9 in that home! Where were they!?!

2 **THEREFORE “CORDIALLY” NOT DELIVERED! LUDICROUS!!!**

3
4 a) Just know Respondent is very clairvoyant. He used to wake up FULLY at the fire
5 department on a regular basis approximately 20 seconds BEFORE being “toned out” and
6 dispatched to major incidents so God was helping him to be FULLY alert so that in the
7 next few moments before we would arrive on scene he would be fully alert and prepared
8 mentally. Respondent has only shared this with very few people, but given Petitioner’s
9 attempt to further destroy Respondent’s credibility, let it be known it clearly helped him
10 to more effectively lead his crew to better affect both life-saving rescue efforts and safer
11 firefighting strategies and tactics. Firefighters have moments to decide what to do during
12 any true emergency, but attorneys have months to assemble the evidence to convict us of
13 negligence if any can be found! ...even if were not yet awake at 3:00 AM.

14
15 b) In regards to Respondent’s daughter Jaclynn Cara Hoffmann, she has been hit just as hard
16 if not worse than every girl friend/fiancé’ that Respondent has ever brought “home” to
17 meet “The Family.” One example of dozens of incidents with identical results regards
18 his fiancé at the time Lisa, her eleven year old son Dane, and her six (6) year old daughter
19 Carly. Her son had terminal brain cancer and was about to go into surgery within the
20 next two weeks at UCSF Medical Center, [Which the resulting events that followed
21 tragically turned poor Dane back into a five (5) year old after he suffered a two (2) hour
22 seizure the day after his surgery that should have killed him!] because the Gamma Knife
23 radiation treatment he had eight (8) months earlier began to cause, as anticipated severe
24 brain swelling and as a result, he was losing feeling up his legs and arms at a rate of about
25
26
27

1 ¼ inch per day. He was barely able to walk without stumbling embarrassingly and
2 couldn't effectively hold a glass of milk at eleven years old!

3 i) Respondent took his "family" to Murphys for a scheduled five (5) day trip with plans
4 to enjoy Yosemite National Park, Big Trees State Park, Mercer Caverns where I
5 worked as a tour guide, and Lake Tahoe to mention a few and use his folk's place as
6 the hub. But within less than 17 hours, as Respondent walked into the bedroom
7 where Lisa and he got up only hours ago after their first night of sleep, **Lisa**
8 **DEMANDED they leave immediately!** I asked her what in the world is going on
9 given all these wonderful places we had planned to take Dane and Carly to. She
10 simply said in a stern voice, **"Pack your bag and I will tell you in the car."** So I did
11 accordingly as I tried again to convince her everything was going to be ok and we had
12 all these awesome places to visit in the meantime. She refused to change her mind in
13 the least and said, **"I'm so sorry Rich. I can't be heard right now. I will explain**
14 **in the car. Trust me. I am very serious. Get your stuff and let's get out of here!"**

15
16
17
18 ii) When Respondent's mother asked where they were going as we all walked out the
19 front door in total surprise to all, Respondent simply said, "Gotta go home, Dane's
20 not feeling well." Which was a total line of crap! ...as Lisa just looked straight ahead
21 and adamantly refused to make any eye contact with his mother whatsoever. Upon
22 packing the car and exiting the driveway, and with tears in her eyes, Lisa said, "I AM
23 NOT GOING TO HEAR ONE MORE WORD HOW "FUCKED UP" [Stated under
24 her breath so Dane and Carly couldn't hear.] MY HUSBAND TO BE IS!!!!"
25

19 iii) Respondent’s fiancé then turned away in tears, took a few minutes to compose herself
20 so she could face her children, looked to the back seat where Carly and Dane sat
21 confused and bewildered at the early interruption to all these wonderful plans they
22 had been looking forward too based on Respondent’s trusted descriptions, and simply
23 said, “We’ll make up for this somehow kids.” After Respondent remained silent to
24 try to comfort her, he, like he always did when the stuff would “APPEAR” to hit the
25 fan said, “**All is GOOD! Now we get to go ride a San Francisco cable car and**
26
27

1 **have FUN at Fisherman’s Warf! TONIGHT! Tomorrow we’ll be at the**
2 **Monterey Bay Aquarium! And life’s gonna be AWESOME!”** Respondent did all
3 he could to not allow this NECESSARY ESCAPE FROM TERROR cloud the last
4 few days that they had with Dane before he became a completely changed person for
5 the rest of his life. Respondent acknowledges, with his fiancé Lisa’s new found
6 encouragement as they all truly got we can’t change other people, they all found a
7 way to make the best of it! Monterey Bay Aquarium was definitely a highlight.
8
9 iv) As you can imagine, Respondent was still very devastated that his family could
10 TREAT HER THAT WAY! To put her in the middle of having to choose to accept
11 their word as gold [REINFORCED BY THE NUMBERS ONLY – SECONDLY
12 THAT THEY WERE MORE IMPORTANT “SELECTED ONES” AS THE
13 MAJORITY SHALL ALWAYS RULE], or rely on her irrefutable personal
14 experience of many months in which she knew Respondent would ALWAYS put his
15 life on the line and before hers in literally EVERY situation and continue to support
16 her entire family AS HIS OWN unconditionally as DEMONSTRATED through the
17 most challenging time of their lives EVER up to that point! Respondent had to tell her
18 it wasn’t the first time he had this little “experience.” As a matter of fact, it was a
19 regular occurrence when he brought other CLASSY ladies with him to meet “The
20 Family.” Respondent was only looking for love and encouragement to find happiness
21 but it always ended the same way. Lisa was the first to cut it off so short when she
22 did. A true lady with backbone to deal with what is EFFECTIVELY to save and
23 protect the mental well-being of her FAMILY! Absolutely incredible!

- 1 v) To complete the story with Dane, he was so bad after his two (2) hour seizure that the
2 Oncologists at UCSF told us to “...put Dane into a home and let him EXPIRE.”
3 WTF!?! “Expire!?!” We immediately said, “Thanks for sharing but if he is going
4 to “pass-away,” [NOT EXPIRE!!!] he will do it in the LOVE of our home.”
5 NOT ON MY SHIFT IS HE GOING TO DIE OF LONELINESS IN SOME
6 NURSING HOME WHERE HE IS SEEN NO MORE THAN ONLY THREE (3)
7 TIMES PER DAY UNTIL HE QUILTS LIVING AND CHOOSES TO GIVE UP! ”
8 Can you imagine? He was given four (4) months to live as the Astrocytoma tumor in
9 his brainstem was considered inoperable and these top oncologist in the world were
10 telling us to make a life for his younger sister Carly and my older kids Jackie and
11 Rick [TO GO HAVE FUN!!!! – WITHOUT DANE!?!?!] so no one would have to
12 experience the INCREDIBLE PAIN AND SUFFERING AND RESULTING LOSS
13 of the anticipated, confirmed, horrific death process when he does “finally” pass-on!
14
15
16 vi) Funny thing about loving a terminal patient moment by moment, each and every day,
17 day in and day out, can truly turn things around! Thank God I was off all but nine (9)
18 twenty-four hour shifts per month to support my family 24/7 the remainder of the
19 time when I wasn’t on duty as a Correctional Fire Captain at Avenal State Prison. Let
20 me tell you, things were so STRESSFUL at home, the prison facility dealing with
21 inmates and corrupt co-workers was Respondent’s break to “get away and relax.”

1 iii) The last item regarding this response that needs to be noted, are the events that
2 centered around the Respondent's mother's wake following the funeral where
3 Petitioner effectively created a wall between Respondent and his daughter as
4 described above. Please keep in mind Respondent, as a professional photographer in
5 which he has "shot" countless weddings over the many years as well, receiving high
6 marks in State Expositions throughout California, but especially in the Professional
7 Wedding Photography Competition at the Mid-State Fair in Paso Robles, that the
8 Respondent photographed Kendra and Mathew Burlison's wedding not only once, but
9 twice, **FOR FREE** because they commenced the ceremony without waiting for
10 Mathew's parents to arrive? Yes, this is exactly what happened. Thank God
11 Respondent had a digital camera with a huge memory card at the time. And yes, as a
12 wedding gift to the Burlison's, including engagement photo's, announcement photo's,
13 but especially two wedding sets, Respondent covered all expenses including a FREE
14 set of proofs to choose from as a generous offer to congratulate these two to wish
15 them both the very best start (including at a minimal financial expense) to their
16 hopefully wonderful lives together.

17
18
19
20 iv) Respondent's mother's "Wake" was at Kendra and Mathew Burlison's home. NOT
21 neutral territory like Respondent had hoped would have been at his sister's or other
22 neutral location so Respondent might have so time with his adult children.
23 Respondent felt VERY nervous to enter said property at all, but knowing he hadn't
24 seen his son in years because of him being overseas in the military, and hadn't seen
25 his daughter but a few moments in the same amount of time due to his commitment to
26 his daughter but a few moments in the same amount of time due to his commitment to
27

1 his younger family in Iowa, he then stepped through the front door to go to the rear
2 deck.

3 v) For the record, upon entering through the Burlison's home to arrive at the back deck
4 where all parties were enjoying their visit, as Respondent came through the rear
5 sliding glass door to step out onto said rear deck, again, one could have heard a pin
6 drop in the dead silence just as he experienced Christmas at his mother's in 2006.
7 Kendra Louise Burlison then immediately stepped up to confront Respondent
8 aggressively face to face and stated, **"This is private property. You are not
9 allowed here EVER! If you do not remove yourself IMMEDIATELY, I will be
10 forced to call the sheriff and have you arrested for TRESSPASSING. Do I make
11 myself perfectly CLEAR!?!"**

14 vi) Respondent just shook his head, looked over to his very silent and distant young adult
15 children Rick and Jackie, stated under his breath, "You gotta be f'n kidding me!" and
16 cordially left AS DIRECTED! In the meantime, Mathew Calvin Burlison, who
17 remained absolutely quiet not to interrupt his wife's execution to ban Respondent
18 from his own mother's Wake, ran quickly past Respondent to immediately get to the
19 master bedroom to retrieve his prized baseball bat out from under the bed, then exited
20 out the side sliding door of the master bedroom, and turned and walked to the rear of
21 the home to rejoin the rest of the "selected and approved" family members as if to
22 come off as some badass with a bat to take care of business yet he remained
23 sheepishly quiet as his wife took complete control of the deliberate extradition in the
24
25
26
27

1 manner she did to further destroy Respondent's credibility and prevent any access or
2 opportunity for Respondent to be with either of his adult children.

3 c) For the record, to go back to an empty hotel room alone for hours waiting for my son
4 Rick to arrive, was more than he could bear. Respondent went over the letters from his
5 brother seen here as exhibits, the video recordings of his brother and his mother ripping
6 him a new backside. It was more situational stress than he had ever felt at any one time
7 in my life regardless of all the times his life was on the line as a professional or volunteer
8 firefighter. But this was different! This was family. All the hurt he experienced in 2006
9 slammed right up to his forehead all over again yet only worse, now his mother was gone
10 and he can't even spend time with his precious, wonderful, sweet, incredible, most
11 amazing daughter Jackie, who he has absolutely no clue who she has become, but who he
12 miss more than anyone can ever ever ever imagine!

13
14
15 In closing, I pray the court takes matters in their own hands to see the truth behind
16 the testimony given. Yeah, I know I blew it by leaving those messages for my sister in the
17 manner in which I did. But my two younger children, Morgan Elizabeth Johnson-Hoffmann and
18 Noah Christian Johnson-Hoffmann are real people! These are extenuating circumstances for
19 Respondent and he knows, even with 'professional' help, he has not done well... yet unlike
20 320,000 men per year, HE HAS NOT COMMITTED SUICIDE for what he has gone through in
21 the LOVE OF ALL HIS CHILDREN!!! His youngest were FELONY child-abducted, FELONY
22 imprisoned, and FELONY transported over state lines in direct violation of a written AGREED
23 decree that is written to PROTECT his little ones from the mental anguish, despair, and
24 uncertainty of what THEY have gone through AS VICTIMS in this case.
25
26
27

1 I told the Petitioner, Diane Ellen Brown, as witnessed by her significant other,
2 Jesse Hamilton, in her very living room that I was invited to sit in and enjoy, that these are the
3 FACTS of that case, yet the Petitioner and her daughter, Kendra Louise Burlison, have both
4 PERJURED themselves by trying to mislead the court into believing I am worse than a “DEAD-
5 BEAT” Dad because I HAVE, PAST-TENSE lost custody of both of my children in Oregon!
6 **Nothing could be farther from the TRUTH!** That they allegedly have record of my voice
7 stating I have THREATENED their SAFETY! That I showed up UNANNOUNCED yet the
8 sworn written testimony of Kevin Arthur Edgar; Haddock, and the witness, Jesse Hamilton, the
9 Petitioner’s significant other, will both be forced to testify in any court UNDER OATH that I
10 made every effort to meet the Petitioner in Valley Springs during early afternoon hours on July
11 26, 2014 until the Petitioner finally informed me she had left the area long before I ever got there
12 to meet her. I was then INVITED to her home after I was unable to find our father’s memorial at
13 the Valley Springs Elementary School, THUS SPEAKING ON THE PHONE REGARDING
14 SAME, yet Petitioner insists, under penalty of perjury within the laws of the State of California
15 that on CH-100, Page 3 of 6, Item (5), line 2., “He just showed up at my house.” ...and “I’m
16 afraid what he may do to me and my family if he does come back.” [From 1850 miles
17 away? What!?!]

18
19 **Third-Party hearsay, inadmissible evidence to slander and destroy the**
20 **credibility of Respondent, “I do know Jackie said she was physically and emotionally**
21 **abused by her father.” [Third-Party hearsay, inadmissible unacceptable evidence. This is**
22 **outrageous! Respondent demands she show the FOUNDED child abuse conviction(s)!**
23 **“...capable of doing to me and my family, especially if he carries through on the**

1 **THREATS [EMPHASIS ADDED!!] he has made to us.” [What, where, when, how has**
2 **Respondent EVER threatened Petitioner!?!] Again, I demand Petitioner produce hard-**
3 **core and present said EVIDENCE!**

4
5 I demand both Diane Ellen Brown and Kendra Louise Burlison be immediately
6 found guilty of Perjury as evidenced in my sworn written testimony signed under penalty of
7 perjury under the laws of the State of Iowa and the State of California and the hardcore
8 admissible evidence contained and articulated herein, and upon same, therefore be prosecuted to
9 the maximum penalty of the law. These two, with the power they now hold within “The Family”
10 will stop at nothing to further destroy my credibility just as they have including my other sibling,
11 mother (before she passed as fully described in my fiancé/wife Lisa’s experience, brother-in-law
12 Bill Brown, and sister-in-law Dianna Hoffmann, and now Kendra Louise Burlison have done for
13 years, and if Lisa were still my wife, she would testify in a heartbeat against all of them for
14 putting her in the middle of their childish, wannabe, maintain the status quo, FAMILY FUED!!!
15 Except it’s within the family... and not focused on another family! Oh, wait a minute!
16 Respondent does have another family, and since he is exiled... Wow! ...guess that does qualify!

17
18
19 Respondent requests the Court prosecute for perjury against Petitioner, Diane
20 Ellen Brown AND Kendra Louise Burlison without further delay.
