Jim, plz listen to this... thanks again for all your help... I will have the Civil Sheriff deliver any docs [that I print myself and snail mail accordingly to their basement office] to the information window at the courthouse... sorry about this... Love you guys! You and Heather have been such an instrumental help in getting my kids home safe and secure! Not yet... but another day closer!

I spoke to Jim of Sparky's Delivery.... Brenda has never been treated so poorly by the courts in the manner that she was treated today... Inkspot is done with me too... they are VICTIMS! I will snail mail all entries to the Marion County Sheriff downstairs in the basement to be entered from here forward... I spoke to Amy of Family Law... she said another person was there when the "FILED" stamp was refused... Wow... Now I'm concerned about the influence in the Iowa Court if a phone call or two is made to fuck me here... I really can't see that happening... but not only am I taking out a Law Firm Partner here who violated the integrity of the Iowa State Supreme Court... but a district judge, et al, in Oregon is HISTORY too! WTF!?!?

Richard,

Attached is your receipt for today's printing.

There are no scans to send you, as the courthouse took the documents from Brenda, and refused to stamp them. She said that they were familiar with you and had other instructions for handling communications from you.

Sparky's Express has asked me to notify you that they respectfully decline to serve you in the future.

The Ink Spot also respectfully declines to print for you in the future as well.

I wish you the best of luck, and hope that you understand our decision. Thank you.
